HOSTAPHAN®

Hostaphan® RN 50-500

Transparent polyester film with moderate haze

Hostaphan® RN is a biaxially oriented film made of polyethylene terephthalate (PET) and characterized by outstanding physical properties.

Applications:

Films for industrial applications

- Coating
- Laminating
- Metallizing
- Printing

Decorative films

Adhesive tapes

Adhesive films

Insulation tapes

Electrical insulation

- Flexible printed circuits
- Transformers and coils

Reprography

- Base for color printing
- Carrier film for flexible printing plates
- Drafting film/engineering

Release

- Transfer film
- Film for production of cast films
- Film for production of GRP-products

Stiffening

- Collar stiffeners

Building insulation

Further applications

- Gaskets and gasket inserts
- Membranes
- Tape measures
- Soundproofing and thermal insulation in combination with suitable materials
- Drum skins
- Carrier film in veneer- and furniture presses

The properties shown in this technical data sheet only apply to the film itself. We cannot guarantee the properties of an intermediate or final product made from or using the film. Instead, the intermediate or final product must be subjected to standard industrial testing.

This Hostaphan® film is permitted for food contact according to the current version of EU Regulation 1935/2004 and 10/2011 as well as FDA regulation 21 CFR 177.1630 under the conditions set out in our current Declaration of Compliance. Before using this Hostaphan® film in a food contact article, please request this Declaration of Compliance.

This data sheet reflects our state of knowledge at the time this was prepared. The purpose is to provide an overview of the characteristics of our products and their potential uses. The values given reflect the typical characteristics of the film. They are not specification limits. They are neither a guarantee of specific properties nor the suitability of products in specific applications. The user must observe industrial property rights, such as patents or trademarks. The quality of our products is covered by the terms of the General Conditions of Sale of MITSUBISHI POLYESTER FILM GmbH.
